

List of Abbreviations/Acronyms

1. Test Terms

Abbreviation/Acronym	Definition
AGGN	Agglutination
AGID	Agar Gel Immunodiffusion
BC ID	Biochemical Identification
BIO	Biotyping
CFT	Complement Fixation Test
CULT	Culture
DAT	Direct Agglutination Test
ELISA	Enzyme Linked Immunosorbent Assay
EM	Electron Microscopy
FAT	Fluorescent Antibody Test
G.INF	Gamma Interferon
GEL GEL	Gelatin Gel Thermostability test
HIT	Haemagglutination Inhibition Test
IFAT	Indirect Fluorescent Antibody Test
IHA	Indirect Haemagglutination
IMHIST	Immunohistology
ISO	Isolation
LATEX	Latex Agglutination Test
MAT	Microscopic Agglutination Test
MICRO EXAM	Microscopic Examination
MRT	Milk Ring Test
PAGE	Poly Acrylamide Gel Electrophoresis
PCR	Polymerase Chain Reaction
PI	Plaque Inhibition
PRN	Plaque Reduction Neutralisation
RBPT	Rose Bengal Plate Test
SAT	Serum Agglutination Test
SEDIM	Sedimentation Test
VNT	Virus Neutralisation Test
W Blot	Western Blot

2. Cell Lines

Abbreviation/Acronym	Definition
BHK	Baby hamster kidneys
BK	Bovine kidney
BSR	Bovine hamster kidney-21 clone
BT	Bovine Testis
Bulu	Buffalo lung
Em bov lu	Embryonic bovine lung
LT	Lamb testis
MDBK	Maiden Derby bovine kidney
Vero	African Green monkey kidney

3. Disease Names

Abbreviation/Acronym	Definition
AI or AIV	Avian Influenza
Aino	Aino
AK or AKA	Akabane
AVG	Abalone viral ganglioneuritis
B. abortus	Brucella abortus
B. exitiosa	Bonamia exitiosa
B. ovis	Brucella ovis
BB	Bovine brucellosis
BEF or EF	Bovine Ephemeral fever
BT or BTV	Bluetongue virus
BVDV	Bovine Viral Diarrhoea Virus
CAE or CAEV	Caprine arthritis encephalitis virus
CHL	Chlamydia
EAV	Equine arteritis virus
EBL	Enzootic bovine leucosis
EHD	Epizootic haemorrhagic disease
EIA	Equine infectious anaemia
EVA	Equine viral arteritis
GAV	Gill-associated virus
IBR	Infectious bovine rhinotracheitis
JD	Johne's Disease
L har	Leptospirosis hardjo
L pom	Leptospirosis pomona
L tar	Leptospirosis tarassovi
M. bovis	Mycobacterium bovis
MCV	Megalocytivirus
NDV	Newcastle Disease Virus
NNV	Nervous necrosis virus
OB	Ovine brucellosis
OsHV-1	Ostreid Herpesvirus-1 microvariant
P. olseni	Perkinsus olseni
QF	Q fever
VER or VNN	Viral encephalopathy and retinopathy or Viral nervous necrosis
WSSV	White spot syndrome virus
YHV	Yellow head virus

4. Miscellaneous Abbreviations

Abbreviation/Acronym	Definition
Ab	Antibody
AC	Anti- complimentary
Ag or A/g	Antigen
AHC	Animal Health Committee
ANQAP	Australian National Quality Assurance Program
ANZSDP	Australian and New Zealand Standard Diagnostic Procedure
AQIS	Australian Quarantine and Inspection Service
As or A/s	Antisera
ASDT	Australian Standard Diagnostic Test
AUD	Australian Dollars
AVR	Acceptable Variation Range
Bov	Bovine
Buc Strain	Bucyrus strain (vaccine strain)
C/O	Cut off
Cal	Calibrate
CAR	Corrective Action Report
COD	Corrected Optical Density
Dept	Department
EIA	Enzyme immunoassay
ER	ELISA ratio
EU	ELISA Units
Eval Panel	Evaluation Panel
HP	High Positive
Inc	Inconclusive
IU	International Units
Lab	Laboratory
Labs	Laboratories
LNI	Line of Non-identity
LP	Low Positive
MSDS/SDS	Materials Safety Data Sheet/Safety Data Sheet
NA or N/A	Not Applicable
ND	Not determined
Neg or -ve	Negative
NI	Not Included
NSA	Non-specific Agglutination
Nt	Not Tested
OD	Optical Density
Ov	Ovine
PBS	Phosphate buffered saline
PI	Percent Inhibition
Pos or +ve	Positive
PP	Percentage Positivity
Ref	Reference
S/N	Sample to Negative ratio
S/P	Sample to Positive ratio
S1, S2, S3	Sample 1, Sample 2, Sample 3
SCAHLs	Subcommittee on Animal Health Laboratory Standards
Susp	Suspect
T	Total
Tox	Toxic
Wk	Weak
