

NPHPTP Test Schedule 2021

The NPHPTP 2021 has been delayed until 2022 due to the COVID-19 worldwide pandemic. Any changes to this plan will be communicated to participants prior to the dispatch of samples.

For sample dispatch date and due date for reporting results, please refer to schedule below. Participants will be advised via email with a tracking number once samples have been dispatched. If samples are not received within 5 days for Australian laboratories and within 10 days for international laboratories, please contact ANQAP via email. Results may be reported before the due date listed on the schedule.

Results reported after the due date will not be accepted unless the participant contacts ANQAP before the due date to request an extension.
